

Leave XM radio alone!! It is the only thing I listen to as it has the variety and quality that are not available anywhere else. Yes, I do pay for these services, so leave them alone!!!!

REJET petition 04-160, as this is not a dictatorship of a country. We are free to listen to what ever we want. XM is the only thing that provides the kind of programming that I demand and deserve and I don't mind paying for it. Tell the NAB that they are overstepping their bounds.

Thank you for your time,
